

Hello,

My name is Cathy Newbury. I am the State Coordinator with ASSE. We are a nonprofit organization working exchange students.

The following High school exchange student shows and interested in Gymnastics and needs to find a host family.

We do have other students available, if interested contact me regarding this individual, or if interested in others.

Do you think you could help out, by hosting one of them? If you do not feel that you could do the full school year, you could welcome the student. By welcoming the students, it gives them a temporary home (up to 12 weeks once the student arrives and starts school) and a permanent school. Please contact me as soon as possible for more information. 309-444-7209 . Please pass this to anyone whom you think would want to help out one of this outstanding student.
