

Illinois Competition Information

Entry Requirements

Gymnasts who enter a **State Meet** have determined their **Level** for that competitive year and may not drop back or compete at the next level unless they re-qualify for that next level.

Since we no longer use a sectional meets all gymnasts must qualify to state using a 2 judge per panel score

Out of State Scores – For State Meet Qualification and Mobility

Coaches are responsible for submitting out of state scores that are to be used for both mobility and/or state meet qualifications.

If scores are coming from out of state meets, please attempt to acquire a copy of the Sanction Report Form & Official USAG Score Sheet signed by the judge.

If you are unable you must supply the following people with a copy of the Score from the meets website for them to officially enter into the State Series meet.

We are tracking all gymnasts for mobility, therefore scores must be provided in order for us to properly track the athletes. If this is not done the athletes cannot be entered in the State Series for the level that they may have advanced to.

NEW RULING as of July, 2007:

The last qualifying date for each level, will also be the last date for out of State scores. Scores are to be submitted, via FAX or email, to the Level Chairs and the State Score Tracker, the Monday following the last qualifying date. *NO OUT OF STATE SCORE* will be accepted after this time.

Send out-of-state scores to the appropriate person in each of the following categories:
