

**Illinois Committee Newsletter (See website for the most up-to-date information.)**

The Illinois Online Newsletter is produced for your enlightenment. It contains very important information and is the most expedient and effective way the State Committee can communicate with the professional member. Please read and you can always refer back to them easily and often.

The newsletter is published quarterly, however if there is essential , all-important news, we will post on the website under News.

The Illinois State Committee Secretary is our Newsletter Editor. We encourage contributions to the Newsletter.

The deadline for information is the 7th of each month. Please send your ideas to The Illinois USAG State Chairman (listed above in Committee) by email.

We do not accept classified ads or requests for coaches in the Illinois USAG Newsletter, as we believe this to be a conflict of interest.
