## Illinois State Congress

### Featuring Tammy Biggs and Many of IL Best

June 25, 26, & 27 2011

Itasca Park District

We would like to thank those that came. While numbers were low I think something was learned by all.

- I would like to thank Cindy Morano, for heading up this event. Great Job
- Kris Eisneman and Marilyn and the rest of her crew for all that she did to make her facility hospitable and took care of all our needs
- I would like to thank Tammy Biggs for spending time with us Friday and Saturday sandwiched in between IGI Camp and the International Athletes Camp at the Ranch. I picked her up from a long week at IGI and Sunday morning early took her to the airport so that she could go to the Ranch. Truly one of the reasons USA gymnastics is so strong
- I would like to thank all the clinicians whom donated their first Session back to the State of Illinois. Thanks again everybody. Thanks also goes to Chris Denk and Sari Engle for their clinician session donation .
